DISSEMINATION 2

IWG/R- (DRAFT)
Control No. 4451
9 September 1953

MEMORANDUM FOR: IWG

SUBJECT: Transmittal of Draft Paper on "First Annual Progress Report of the IWG"

1. The attached is distributed for the purpose of soliciting comments and suggestions of IWG members. It endeavors to summarize the principal accomplishments of the IWG during its first year of operation and to indicate the major problems and objectives of the IWG during the year ahead. The final report will contain four tabs, not included herein, viz.: (a) List of all IWG Cases; (b) List of all IWG Studies Completed or in Process; (c) List of all IWG Current Intelligence Contributions; (d) Organization and flow chart showing IWG intelligence support to the economic defense program.

2. Members are requested, particularly, to provide statements indicating the utility of specific IWG reports, for incorporation in the final report. Suggested deletions, corrections or additions should be brought to the attention of the Executive Secretary at the earliest possible date but not later than the meeting scheduled for 17 September 1953.

3. Following IWG approval, the first annual report will be transmitted to the Intelligence Advisory Committee (IAC) and the Executive Committee, EDAC.
